

Smarty Pants Birthday Parties

Upon booking, a deposit of \$50 must be made in the store or by telephone.

Smarty Pants will need to know a final number of children attending three days prior to the party. Any time after, parents are responsible for payment for children who do not attend. There will be no refunds on deposits made.

The parent of the birthday child must stay within the store area during the whole time of the party. All other parents are free to leave, but must fill out a form with their name and phone number, if we are in need of them at any time during the party.
